t Feedbacks	
Submission Date: 15.01.2024	
Details	
Add proper captcha in the webform raw code to prevent "SPAM" entry.	Possible
After successful from submission, redirect the visitor to this link- https://www.ranksnetbd.com/successful/	Possible
Show a wigdet that present total number of leads in lifetime and number of leads in each lead status.	Possible
Remove or hide all field that are not mentioned in requirement PPT.	Possible
Add following filter fields- 1. Created by, 2. District,3. Area, 4. Reasoning, 5. Package, 6. Source, 7. CON ID, 8. Referrer ID, 9. Promo Code.	Possible for all fields except CONID is the commercial step after lead. And it will be generated after converting from lead to sales order. And due to this structure these CONID will not be available in Lead module but in the customer/branch module.
Show a panel that present total number of leads received in last 30 days and number of leads in each lead status .	Possible
Show the following data in each lead row- Create date, Last Modified date, Name, Phone number, Email, District, Area, Street Address, GPS, Source, Package, Promo Code, Referral, Fiber (M), Survey Details, POP Location, Lead status, Reasoning, Reminder, Last Remarks.	Possible
Remove or hide all field from "details" section that are not mentioned in requirement PPT on the lead mgt section.	Possible
Bring all editable data in a single page for each lead (as per shown in requirement ppt) so that the user doesn't need to browse multiple section to edit or input data.	No Possible due to crm framework structure
Show new leads only to the Sales & Marketing Team/Coordinator.	Possible
Show and continue showing leads to "Survey Co-ordinator" when a leads is saved under survey status.	Possible
Add/Show "Export" option.	Possible
For each lead entry through webform or leadform, send a notification to Sales Coordinator- Saddam	Need - Email Address
When a lead is saved under "Survey Status", send a notification to Survey Coordinator- Milton.	
For each lead modification, send a notification to "Sales Co-ordinator".
